2007 VLSI Symposia - Privacy Policy

We (JSAP Executive Committee) are committed to protecting the personal information of the applicants. Your personal identifiable information (personal information) will be collected via this form only when you make registration for 2007 Symposia on VLSI Technology and Circuits (hereinafter the "Symposia").

Without an applicant's consent, we will not use such information for the purposes other than operating and managing the Symposia, preparing the participants' list to be distributed to the Symposia participants, responding to inquiries from applicants for the Symposia, offering the Symposia information to the applicants, except for the personal information collected in connection with other websites.

For smooth operation of the Symposia, we (JSAP Executive Committee) are entrusting the operation of collecting, storing, managing and handling personal information regarding the Symposia to the following company, who will act as the Secretariat under a confidentiality agreement.

In case there is an error in your personal information collected for the Symposia, please inform the Secretariat to have it corrected or deleted.

Offering personal information is voluntary, but please note without offering the necessary information, you are unable to attend the Symposia.
