
2013 Symposia on VLSI Technology and Circuits

Special Event

Executive Panel

"Message for the Future of VLSI"

Wednesday, June 12, 8:45-9:50

[Shunju I, II]

Moderators: T. Sakurai, The Univ. of Tokyo
C. Sodini, Massachusetts Institute of Technology

Panelists: T. Sugano
S. Kohyama
D. Buss
B. Brodersen

The Symposia on VLSI Technology and Circuits have a special "Executive Panel" session on June 12 as a memorial ceremony for Professor Shoji Tanaka and Professor Walter F. Kosonocky to commemorate their great contributions to the Symposia. The sub-title of this panel is "Message for the future of VLSI" and four distinguished panelists will present historical perspectives and valuable messages about the future of semiconductor technology.
